AMDA Caravan 2019: Last Call

THE MUSHANGA TEAM RECEIVING THE CARANTORCH LAST YEAR FROM RUSHANJE TEAM

Dear Family,
Warm Greetings!

Allow me give you a briefing about the AMDA Caravan 2019. To those who are new in AMDA, this is Archdiocese of Mbarara Development Association. It's an umbrella body that unites all Catholics hailing from the Archdiocese of Mbarara (typically covering the districts of Mbarara, Bushenyi, Mitooma, Sheema, Ntungamo, Isingiro, Kiruhura, Ibanda and Rwampara who stay in Kampala and surrounding areas. AMDA is thus a faith based organisation and is hinged on Christian Principles. AMDA stands on the following 06 Pillars through which it believes it will be able to achieve total transformation of communities:

1. Unity
2. Spiritual Development
3. Leadership Development
4. Economic Empowerment
5. Education Development
6. Health

AMDA is considering addition of the 7th Pillar in the near future – *Environment*

• AMDA had a humble beginning - from a handful members a couple of years ago to the current strong membership of a few thousand people.

• One of the activities that keeps members together is regular fellowship/Mass. As a Christian Family, we hold Holy Mass every last Sunday of the month at Kitante Primary School in Kamwokya *_(don't Miss one of this month on 25th August)._*

• While on this annual visit, AMDA carries out a number of voluntary activities aimed at strengthening the above pillars and ultimately promoting holistic transformation and wellbeing of society. One of such activities is the "AMDA Annual Caravan".

This is an activity aimed at aiding the mindset change process in our people in the rural homes where we all hail from. Thus, annually (specifically every 1st week of September) AMDA members (normally about 200 of them on average - the number keeps increasing every year) set to visit selected parishes in the Archdiocese.

• Among the things they do on such a visit are; touring parish projects, evangelising the area residents, holding career guidance seminars for students in the area schools, holding Economic empowerment and mindset change talks, offering legal clinics (free legal advice), meet up and interact with the

area leaders (church leaders), the youths, the women and any predetermined special focus groups.

• **The Climax of all however is the Medical Camp** which is aimed at screening and treating the locals for free and this is irrespective of one's faith - all the patients are attended to and treated equally - Catholics and non-Catholics and this is in line with the catholic teaching and philosophy.

• **This year, Sheema District is exceedingly blessed** that the AMDA Caravan is going to Mushanga and Kakindo Parishes. This will be in the *1st week of September (6th to 8th September)*. We expect that this will be of immense benefits to our people in the

All support is welcome be it financial, materials, medicine, physical presence, prayers and all.

All participants are required to pay *UGX 200,000* to cater for their welfare for 03 days.

This Fundraising Drive is on to raise money for the costs we shall incur in executing this year's Annual AMDA Caravan. You are all called upon, and are highly welcome to generously support this noble cause.

You can channel your support through the following;

• AMDA's approved Chief Collector for this year's Caravan, **Mr Collins Tumusiime (0776698302, 0704600496).**

• Make a direct deposit to the **AMDA's Bank Account (2120400169, Centenary Bank Kikuubo Branch, A/C Title: Archdiocese of Mbarara Development Association).**

• **Donate physical items** such as clothes, soap, shoes etc. through **Mrs Donah Mugarura on 0789953499.** One such opportunity to bring them is at the **August AMDA Mass** this Sunday at Kitante or at Cafe Paltinum every Tuesday evening at the weekly Caravan Meeting.

• **Whether going to Sheema or not you are kindly requested to donate generously towards this caravan.** We need your support now more than ever before as almost all partner organisations that normally give us support are unable to do so this year!_*

May God richly bless you.

Dennis Ahimbisibwe
AMDA Secretary General

MESSAGE > THE COORDINATOR, NYAKISHOJWA PARISH

We pay special tribute to the former coordinators Mr. Patrice Baguma and Mr. Augustine Mugarura (RIP) for laying a firm foundation on which we proudly stand.

May God continue to bless and protect AMDA

I salute you On behalf of Catholics from Nyakishojwa parish and on my own behalf, I welcome you all to this monthly AMDA Mass. First and foremost, I would like to thank AMDA Executive for giving us the opportunity to animate this 21st Sunday of Ordinary time. As you can clearly see from the glamour exhibited in today's animation, it is a true demonstration that we accepted AMDA's animation with open minds and exaltation. Thank you our Guest of Honour for sparing time in your busy schedule to pray with us today. We are truly grateful with your presence and for honouring our invitation.

WE COULD HAVE
DONE MUCH BETTER
BUT WE HAVE
ANIMATED AT TIME,
WHEN THERE ARE A
NUMBER OF PARALLEL
FUNDRAISING
ACTIVITIES

In this bulletin, we have profiled Nyakishojwa parish giving the history and the journey of faith we have moved together to reach this day. It is indeed a great joy to see all of us gathered here today, to thank God for His blessings on our AMDA community and to pray for His continued favour on us in years to come. Over the years, Nyakishojwa parish too, has contributed much to the growth of Uganda; not only in Politics, Education, Healthcare and Private sector but also to the moral and social development of our country. In our parish profile enclosed in this bulletin, I have included prominent members that hold key positions in Government Ministries, Departments, and Agencies (AMDAs) and Private Sector. These have been very supportive to organizing today's animation. I want to thank our Nyakishojwa Parishioners and

especially Kampala centre who have forfeited a lot to raise our muganda towards Rubaga AMDA project as we shall be unveiling soon. We could have done much better but we have animated at time, when there are a number of parallel fundraising activities in AMDA such as Caravan drive, Weddings, Ordinations, Educational trips etc which has made it impossible to get contributions from other members. In Nyakishojwa parish, we strongly believe that when we give back to God what is God's through our gifts, then the love of God can become a tangible reality in our world.

We pay special tribute to the former coordinators Mr. Patrice Baguma and Mr. Augustine Mugarura (RIP) for laying a firm foundation on which we proudly stand.

Finally, may God continue to bless and protect AMDA which we call home, and grant our leaders protection and more wisdom as they work for lasting values; values that are integral to the preservation and advancement of Mbarara Archdiocese and Uganda at large. Indeed, "AMDA is our home, this is our future, this is our life, this is our family, we are AMDA and AMDAeans for life."

I wish you God's Blessings,

Chris Gumisiriza
