If we do it, do you think Buhweju can fail to have another St Joseph's? Let us think together and see how to have affirmative action for Buhweju so that everyone should be proud of associating themselves with this area"

Chairman's Message

Chris Gumisiriza Chairman

I therefore take this opportunity on behalf of the AMDA Executive Committee to convey our sincere appreciation to AMDA members, AMDA associates, friends and corporate organizations that enabled us to successfully hold this year's caravan.

Dear People of God,

I greet you in the name of our Lord Jesus Christ... Mukama Waitu Yesu Nabakunda!

This year's AMDA Caravan to Butare Deaneryunder the theme: "Ruhanga yareeba byoona ebi yahangire biri birungi munonga" (Okutandika 1:31) was a great success .This was our 8th caravan and it was bigger and better, we thank God!

The AMDA Caravan is an annual outreach mission to selected home parishes in Mbarara Archdiocese where **AMDA** Members originate. This year, the caravan was particularly exciting because it came after two vears of lockdown. AMDA privileged members were to meet and share with the people of Butare Deanery (Butare, Bihanga, Nyakitoko, and Kashorero Parishes). For most of our members, this was their first time visiting Buhweju district.

During the Caravan, over 190 AMDA members physically participated in a number of voluntary activities aimed at strengthening the Catholic communities of Butare, Bihanga, Nyakitoko, and Kashorero Parishes. The Activities were based on our 7 AMDA pillars of Unity, Spiritual

Development, Leadership Development, Economic Empowerment, Education, Health and Wellness and Environmental Sustainability.

This year's caravan took place when many families and corporate companies were struggling financially and yet we required a lot of resources (time, money, and materials) to successfully accomplish it. We miraculously got all that was needed and more.

I therefore take this opportunity behalf of the AMDA Executive Committee to convey sincere appreciation to AMDA members, AMDA associates, friends and corporate organizations that enabled us to successfully hold this year's caravan. Special appreciation goes to our corporate partners and individuals including the National Social Security Fund, Letshego, The Micro Finance Centre. Biomedic Support Products Ltd, Uganda Peoples Defense Forces (UPDF), Uganda (UPF). Radio Vision Group, Rotary Uganda, Mulago Hospital, Joint Medical Stores (JMS), Uganda Cancer Institute, Blue Wave Beverages, Mbarara University of Science and Technology (MUST), Mulago

Hospital and many more. Thank you again for your support. Throughyou, we touched the lives of the people of Butare Deanery.

Over the years, we have partnered and received support from different organizations to deliver the caravan. We welcome those that came on board this year in a special way. We would now like to build lasting working relationships with our partners through signing of Memoranda of Understanding so that our partnerships can be structured. I therefore, invite all organizations that would like to enter into formal engagements in support to the annual AMDA caravan to contact us for further details as we are already preparing for the 9th Annual AMDA caravan 2023 to Ibanda.

The Archbishop of Mbarara Archdiocese His Grace Lambert Bainomugisha led the Sacrifice of Mass as we closed the Caravan. I would like to pass on special appreciation to Him for this gesture and for continuously supporting AMDA activities.

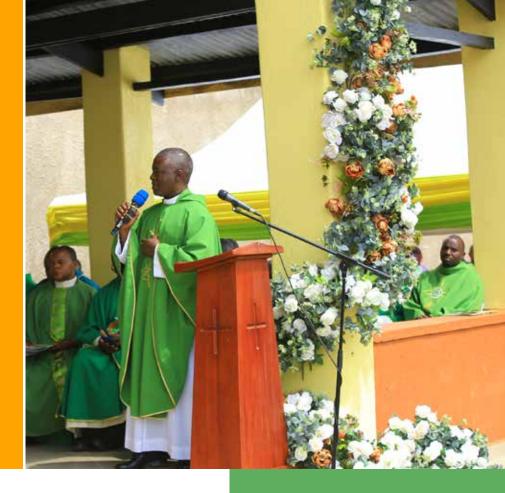

This Caravan confirmed what we always knew,"it is indeed more blessed to give than to receive!"

AMDA Chaplain's Message

Fr. Darius Magunda AMDA Chaplain.

It is our prayer, our hope and wish to undertake a caravan each year. We look forward to the next caravan in Greater Ibanda.

\//e thank God for the successful 2022 AMDA Caravan to greater Butare comprising of Butare, Bihanga, Nyakitoko, and Kashorero parishes in the Buhweju region! Although we had not been able to undertake the caravan in the past two years owing to the COVID-19 pandemic, we realise that there could not have been a better time than this one. The Joy of the Gospel, urges us to go out and share the Good News of Christ. That was the reason that took us to the Greater Butare region.

This was our 8th caravan after the previous caravans, namely:

2013: Rugazi Parish

2014: Buhungiro, Birunduma and Kyoga

2015: Rwera, Kagamba, Rushooka and Ntungamo

2016: Kitabi, Mutara, Nyakishojwa and Bubangizi

2017: Kazo, Rushere and Kitura.

2018: Rushanje and Rwoho

2019: Mushanga and Kakindo

It was a great pleasure to share our faith and God-given gifts with our brothers and sisters in the Greater Butare. It is our prayer and wish that our caravan will continue to yield fruits for the people and be a springboard for further development, improvement of the conditions of living and growth in Faith. We had the opportunity to inaugurate the actualisation of the 7th pillar: Environmental Sustainability in the Greater Butare region. In line with the message of the Holy Father Pope Francis in his Encyclical Laudato Si, we would like to call on everybody to endeavour to care for our planet Earth, preserve, conserve and sustain the environment.

We thank the people of Butare, Bihanga, Nyakitoko and Kashorero for the cordial welcome, hospitality, and readiness to receive our message and services. Many thanks to the organisers of It is our prayer and wish that our caravan will continue to yield fruits for the people and be a springboard for further development,

this caravan, our sponsors, collaborators and well-wishers. Our special gratitude goes to all the committees what offered their resources and services to the people of Butare and in particular to our medical personnel and our partners and sponsors for the successful medical camp. This was in line with Jesus' assurance that he came that we may have life and have it in full (John 10:10).

It is our prayer, our hope and wish to undertake a caravan each year. We look forward to the next caravan in Greater Ibanda.

May the Lord continue to bless and nourish this mission!

Leisure and Events

By Richard Tumwesigye Team Leader

Our special gratitude goes to all the committees that offered their resources and services to the people of Buhweju and in particular to our medical personnel for the successful medical camp.

Nine years the ago. Archdiocese of Mbarara Development Association (AMDA) commenced the work of going back home to mother parishes in the Archdiocese to share the joy of faith by supporting the communities in different parishes through active, modern evangelism and missionary work. This is in line with AMDA's seven (7) pillars of Spiritual Development, Unity, Health and Wellness, **Education** Development. Leadership Development, Economic Empowerment and Environmental Sustainability.

In September 2022 AMDA Bihanga, visited Butare. Nvakitoko. and Kashorero parishes in Buhweju District and blessed them with the gift of the AMDA Caravan. This happened after two years of the deadly COVID-19 Pandemic with its associated effects such as lockdown for two years. There could not have been a better time than this one. This is because Buhweju is quite unique and needed a unique strategy.

The AMDA 2022 Caravan to Buhweju was undoubtedly a great success. The success of the AMDA Caravan to Butare took high-level preparation, a series of strategic planning and multistakeholder engagements, reflection sessions, analytical and systematic budgeting, and selfless action. All these were executed through joint prayers for a successful mission, unrivalled teamwork, creativity in planning and mobilization, spirit for service above self, and above all, commitment to serve humanity with dignity and love.

It was teamwork, right from sharing the Terms of References to different multi-stakeholder preparatory meetings, previsit activities, mobilization, fundraising evenings like the caravan launch and Jamboree nights, physical participation during the event, to mention but a few, that made this year's Caravan a resounding victory.

The Leisure and Events council was mandated with delivering a successful caravan and below is a report on how this was done

Preparation of TORs

Every Council that participated in this Caravan was tasked with some roles and responsibilities as contained in the Terms of References (ToRs) for each Council prepared by EXCO and the Leisure and Events council.

Pre-visit to Buhweju;

A team comprising of highlevel strategic planners of the Leisure and Events Council who were joined by the local/hosting team made a visit to Buhweju. They mapped out strategic obstacles/challenges, risks, mitigation measures and critical selection of key parishes to visit during the Caravan.

Caravan launch

The Caravan launch was held on 1st July 2022 at Rivonia Suites in Mbuya where over 7 Million Shillings was mobilized towards the event. This launch was followed by an online session aimed at explaining the caravan to the AMDA community under the "Understanding and topic; **Appreciating** the **AMDA** Caravan" on 29th June 2022 with with Dr. Ampe Gaston the AMDA chairman emeritus, and Rev. Fr. Dr. Magunda Darius as key facilitators of this session.

Weekly Preparatory meetings:

Weekly meetings took place every Tuesday of the week at Café Platinum, Christ the King Kampala.

It is in these meetings that the "cooking" happened before a successful Caravan event was served in Buhweju. All sharing of ideas, planning and strategic decision making happened here.

The Jamboree Night

As a strategic move to mobilize, sensitize, conscientize and bring "vibe" to the Caravan, the AMDA Leisure & Events Council organized a Jamboree, one of such events that saw us "kill several birds with one stone and injuring others". A Jamboree is a pre-Caravan event that brings AMDA people together to share diverse knowledge about different spheres of life. It is also meant to sensitise members about the Caravan as well as solicit for support towards the same. Two Jamboree nights were successfully held and a total of UGX 9, 720,000 was raised in contribution for the Caravan medicines.

Coordination, Cooperation, Collaboration

The number of people, partners and resources involved in delivering the caravan are huge. The LE council worked with the AMDA members to coordinate the different activities in these preparations.

The LE Council ensured that every donation was collected from donors & collection centres. The finance, mobilization, and procurement teams further ensured that resources were mobilised in time so that Caravan planned activities were not jeopardised.

The Women Council in particular, ensured that every donation in-kind was collected in time, packed and well-labelled, and destined to the beneficiaries it was meant for. I hereby applaud them for their love and commitment to serve.

Execution Days of the Caravan

A detailed activity log was developed with an activity tracker to monitor time, cost, and quality of each and every activity starting from Tuesday 30th August 2022 to Sunday 4th September 2022. With this subtle activity log, all the

Caravan planned activities were meticulously executed.

I wish to thank AMDA Executive Committee, Leisure and Events team, AMDA Councils and in particular the Health Council, for the selfless love, support, resources. and physical participation that effectively efficiently delivered and the AMDA 2022 Caravan to Buhweju. I also wish to applaud the people of Butare, Bihanga, Nvakitoko and Kashorero for the cordial welcome, hospitality, and readiness to receive our message and services. Special thanks go to the organisers of this Caravan, sponsors, collaborators and well-wishers for their support. Gratitude goes to all the committees that offered their resources and services to the people of Butare and in particular the medical personnel for the successful medical camp.

Let us draw lessons from this AMDA 2022 Caravan to Buhweju and use them to plan better for future Caravans.

Discussion

- This was the highest number of patients ever treated in an AMDA Medical camp. Great thanks to the mobilization teams, and to AMDA for the support in mobilizing and availing resources.
- Although data was not disaggregated by sex, it was visually noted that the Medical camp was heavily attended by women than Men.
- Even when we had enough resources to cover more than 100 men, only 35 turned up for PSA screening, much as prostate cancer, though curable is the leading cause of cancer deaths amongst men in Uganda.

Key Medical Camp Highlights

- 1. During the medical camp, a 35-year-old delivered a 4.0kg live baby girl by emergency caesarian section. This was the first time to conduct a delivery, let alone c-section in the Caravan Medical camp.
- 2. Cervical Cerclage procedure was also done for the first time in the AMDA caravan medical camp to a lady who had got six recurrent abortions.
- 3. A 15-year-old who had a benign tumor in the left eye, had been referred for care in Kampala, was operated during the medical camp
- 4. This was the first time to conduct radiology services (ultrasound scan and plain x-ray) in a medical camp.
- 5. The DHO Buhweju District and the large proportion of the District Health staff attended and participated untiringly in the caravan. They covered several gaps with both logistical and technical support which would have glared should they have been absent.

On behalf of the AMDA Spiritual Council, I hereby present a report on our participation in the 2022 AMDA Caravan to Greater Butare.

To begin with, we organised a Novena to pray for the success of the caravan. Some of our members (in particular Rose Peace Busingye, Grace Mercy, Percy Kobugabe and George Mugisha) donated items for the caravan: printing and photocopying of the prayers, donation of rosaries and medals which were handed on to the parishes. We also organised a Sacrifice of Mass before departure at Café Platinum, Christ the King. Our journey was accompanied by prayers on the buses, led by representatives of the Spiritual Council on each bus. In Butare, we had morning prayers to thank God for the safe journey and to pray for the success of the activities of that day as the various groups prepared to go to the different parishes.

In the different parishes we were guided by the Theme: **Environmental Conservation.** spiritual obligation. Emphasis was on the need to conserve, preserve, protect and utilise the environment to take care of the present and future generations. It also entailed ensuring an ecological balance in which man and the whole of creation coexisted without undue exploitation. We emphasized the need for man to appreciate his position as the custodian and manager of creation. The need for love, charity, generosity and justice in society was also envisaged.

The team also encouraged our Catholic faithful to love and cherish their Church and be proud of their faith. It called on the parishioners to be faithful to their call to be holy and to share their faith by way of witness. On the day of the medical camp, the Spiritual Council organised

confessions and counseling assisted by a number of priests. We also commend Mr. George Mugisha who gave spiritual teachings to the people as they lined up to be attended to. The spiritual activities of the caravan were crowned by a Sacrifice of Mass presided over by His Grace Lambert Bainomugisha, the Archbishop of Mbarara. Our journey back from Butare was also accompanied by prayers organised and led by members of AMDA Spiritual Council.

Generally, we believe that the people of Greater Butare and the participants of the caravan were not left the same. We trust in the Grace of God that will continue to complete and effect spiritual renewal among the people and also inspire more generosity and the joy of the Gospel among our AMDA faithful!

We pray for God's continued Providence and Guidance!

The sooner we realize that Climate change is real the better, so as to move fast to mitigate against it's effects.

Environmental Sustainability is the 7th pillar of AMDA that was introduced at the beginning of this year and launched on 30th July 2022. It was inspired by the *Laudato si, Holy Father's appeal to care for our common home*. The Buhweju community was informed that with the blessings of the Archbishop, AMDA in Partnership with NFA will run 1m tree planting project to create Climate Smart green parishes within the Archdiocese of Mbarara and requested the parishes to embrace it.

The council is happy to report that it used the AMDA Caravan opportunity to popularize Laudato si call for action by our Holy Father Pope Francis and Sensitisation of Buhweju communities about Environmental challenges being currently faced globally, nationally and locally as a result

of Environmental degradation. The largely pictorial view presentation of Environmental problems was shared by ESC representatives in all four parishes to emphasize the consequences of Environmental degradation. Poor waste management of plastics and kavera was discouraged, consequences highlighted that included floods, drought and feminine, land slides. It was observed that deforestation was one the key Environmental problem in the area because most locals are engaged in charcoal business. Other Environmental problems observed were encroachment on swamps for farming and eucalyptus tree planting, the locals are also engaged in tea plantations thus use of chemicals toxic to the environment that's soil, water and

air. Another observation, Buhweju being a hilly areas, it was observed that some gardens didn't have terraces to prevent soil erosion thence agro ecology good practices were encouraged.

The council largely sensitized the People on the Environmental challenges and consequences as well as advised them on many local ways of sustainably using our natural resources. I conclude on a personal note as a lover of nature, I was mesmerized by the awesome unique natural beauty of Buhweju's geographical scenery, my entrepreneurship view Buhweju doesn't only have Gold mines but it could be the "Gold" itself with potential to be Uganda's "cash cow" as a tourist destination, if it is strategically developed and positioned.

Financial literacy talks

These were delivered in Butare Parish where members were educated about saving, investment and projects. Every member was encouraged to start saving and ensuring that each household has an income generating activity.

Background

As part of its mandate to AMDA, the legal council is required to prepare and deliver legal sensitization on topical issues and provide pro bono services to deserving members of the host communities and neighbouring parishes/districts.

This year's caravan to greater Butare deanery (Buhweju District) was yet another opportunity for the AMDA legal fraternity to extend services on pro bono basis to the people of Buhweju.

The Pre-visit team identified domestic violence, SACCO loans (kafuna), land wrangles and intermeddling in estates of deceased persons as some of the leading legal issues affecting the locals. The preparations for the sensitization workshops were therefore tailored to address these challenges.

As per the program issued by AMDA, the sensitization workshops were scheduled to take place on Friday 2nd September 2022 at two parishes; Bihanga Parish and Kashorero Parish. Saturday 3rd September 2022 was exclusively set aside for the pro bono clinic at Butare Parish to run alongside the medical camp.

The Legal Sensitization Workshops On 2nd September 2022

Upon arrival at Butare Parish, the members of the legal council split into two teams as follows:

- 1. The team comprising Judith Karaara (Advocate), Raymond Ndyagambaki(Advocate), Mark Chumo (Advocate) and Musimenta Stella (Law Student) travelled and conducted Legal sensitization workshops to the hundreds that had converged at Kashorero Parish.
- 2. The team comprising Henry Muhangi (Advocate) and Richard Barungi (Advocate) made the journey to Bihanga Parish where they found hundreds waiting eager to receive information that they; from the look on their faces, believed would be transformative.

At the two venues, the advocates

took turns in sensitizing the communities on the causes of domestic violence, its dangers to family life, the remedies available to victims of domestic violence and the penalties provided for in the law for offenders. The legal teams also took those present through the advantages of writing a will and gave information on what should and should not be included in a will. In the event someone dies without having made a will, the legal teams shared the practical steps the surviving relatives may take to legally administer the estate of the deceased relative. The legal teams also sensitized the communities about the property distribution schemes provided under the new succession Act.

General advice was also given on the importance of spousal pledging consent while family property as security for loans. Household heads were counselled to desist from exposing their families to destitution through acquiring loans without proper planning and without involving family members in decision making.

The sensitization topics were crowned with a Q & A session and individual questions on the sidelines. Most of the questions raised revealed the local police is mismanaging complaints with many citing the regular demand for transport and airtime as the reason they don't see police as helpful.

The Pro Bono Legal Clinic Held On 3rd September 2022 At Butare Parish.

For the 3rd Caravan running, the AMDA Legal Council in partnership with the Uganda Law Society Pro Bono Project, Mbarara Branch provided pro bono services. The Advocates that participated in the pro bono clinic were as follows:

- 1. Raymond Ndyagambaki
- 2. Richard Balungi
- 3. Mark Chumo
- 4. Judith Karaara
- 5. Henry Muhangi
- 6. Gerald Nuwagira
- 7. James Agaba

- 8. Ayebare Proscovia
- 9. Albine Atugabirwe (Legal Aid)
- 10. Cate Nakamya (Legal Aid)
- 11. Charles Twinebyona (Legal Aid)
- 12. Benita Namusisi (Legal Aid)
- 13. Stella Musimenta (Student)
- 14. Daphine Ainomugisha (Student)
- 15. Susan Owomugisha (Student)
- 16. Martin Kamuganga (Bailiff)

The team above attended to a total of 61 clients a record number for the Caravan. Of the 61 clients 40 were female constituting 66 percent of the clients attended to.

All the clients who came to the clinic were attended to. Those whose cases required legal representation in courts of law were linked to the ULS Legal Aid Project team from the Mbarara office. We undertake to follow up with the Legal Aid Project for feedback.

Appreciation

The council is grateful to the Uganda Law Society Legal Aid Project (Mbarara Office) for the continued partnership in delivering legal services to the indigent. The office transported the team to and from Buhweju and provided visibility for the legal services through the banners and signage.

The council is also grateful to all counsel and other members of the legal profession who sacrificed time and resources to ensure the communities in Buhweju receive professional legal services.

We are also grateful to AMDA Exco, the Leisure & Events Council and the Leadership of Butare, Bihanga and Kashorero Parishes for mobikizing the locals and for providing the council with the platform to reach out to God's people. We now look forward to the Ibanda Caravan next year.

Guided by the Caravan Theme: Gen: 1:31: "God saw everything that he had created and it was very good," the AMDA Women Council planned and actioned a number of activities purposed to share in the Love and Goodness of God with the Women and all people of Buhweju Deanery. The activities were informed by the outcomes of the Caravan pre-visit which highlighted among others low incomes compounded by limited skills and opportunities for women, domestic violence, limited market for products, lack of spirituality affecting family life, marriage and parenting, men that had relegated their responsibilities leaving women overburdened with taking care of families amidst poor health.

The AMDA Women Council worked closely with the Buhweju Women living Kampala. Women leaders. Parish Coordinators and Parish Priests of Butare, Kashorero, Nyakitoko and Bihanga Parishes to purposely prioritize activities that would positively impact the Women and their families.

As such, a number of tailormade sessions were prepared and delivered simultaneously on

Friday September 2, 2022 in the four parishes of Butare, Kashorero, Nyakitoko and Bihanga to the multitude of women that massively mobilised. Abakazi abaizire omumishomo bakaba bari baingi munonga, batarikubarwa, bakaijuza amaklezia goona. The Women worked in teams to conduct practical sensitisation and sessions centred on nutrition and food security aiming to empower women with knowledge and skills on how to secure their homes with sufficient nutritious food for their families. Women had been mobilised prior to the caravan and they put in place demonstration gardens at the Parishes. With the support of an Agronomist mobilised by our member Mrs Lydia Keitirima, especially in Butare and Kashorero, women were taught how to prepare and manage backyard gardens. They were also given sample seedlings on a number of vegetable and fruit varieties for planting at the Parish and in their families. Women were taken through the basics of personal and domestic hygiene as one way of preventing disease and living healthy and peaceful lives.

To ensure complete and fulfilling families built on a strong foundation of the Catholic faith, talks were held with the women on issues of marriage and how to ensure better relationships their husbands and children. Major challenges such as violence, family neglect, lack of respect, and access to resources were discussed and we exchanged counsel on how to improve relations and build strong families. In Nyakitoko and Bihanga, the AMDA Women Council had an opportunity to hold joint sessions with the marrieds in collaboration with AMDA Men Council where couples were counselled ensuring harmonious families that are based on strategic planning. communication, mutual respect and understanding, long term savings, efficient management finances, moulding children, involving in income generating activities, and praying together. The talks were greatly appreciated and more could have been provided if time allowed. During the discussions, it was apparent that some conflicts arising from domestic violence, land wrangles and

inheritance issues required legal counsel. Both men and women were encouraged to attend the legal clinics that were planned at Butare during the medical Camp on Saturday September 3rd 2022.

In line with the AMDA's pillar on Economic Empowerment, practical skills training on making simple snacks such as mandazi were held. These are simple to prepare, require relatively cheap and readily available ingredients and have a ready market. These attracted a lot of interest and the women who participated in the baking enjoyed eating mandazi at the end of the sessions. AMDA Women Council remains in touch with the Women leaders of the various parishes for relevant follow up sessions.

His Grace Archbishop Lambert Bainomugisha in his homily at the Sunday High Mass inspired and strengthened unity among the AMDA family. Thanks to the AMDA Executive and Women for contributing generously to the offertory presented at the high mass in Butare.

Prior to the caravan, the council mobilised in kind donations such as clothes, shoes, beddings, utensils, jerricans and books that were equally distributed to all the parishes in Buhweju Deanery. In addition to physical

donations, AMDA Women managed to raise over six million (>UGX 6m) Uganda shillings towards buying of inputs for the practical sessions, offertory items, packaging materials and labour for the donations, and contribution towards the medicines for the medical camp.

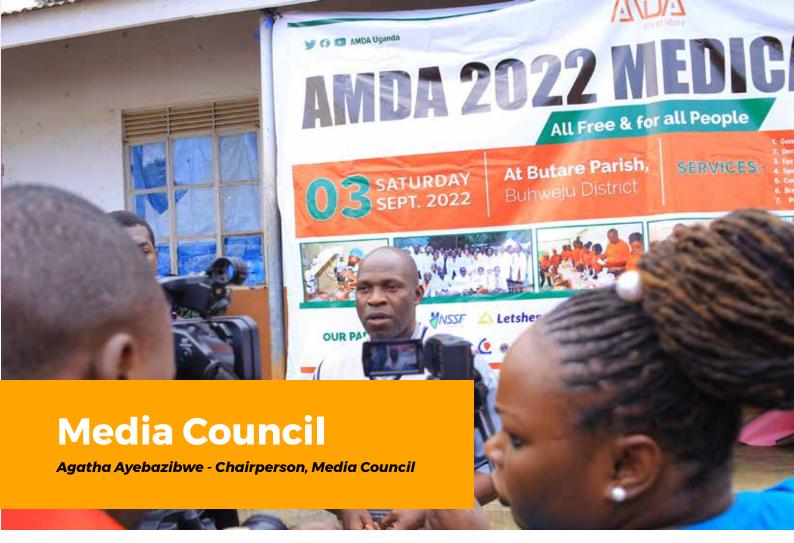

AMDA Women presence and impact was felt throughout the caravan by actively participating in various councils' activities and working hard during the medical camp. In as much we may not list each and everyone here, we are grateful for their love and effort. Words are not enough to describe the gratitude that we feel, however, we say thank vou for the acts of kindness demonstrated throughout Buhweju caravan. acknowledge that everyday acts of kindness are proof of God's goodness. We are placed, purposefully, in each other's lives. Amen.

The Women Council enjoyed good collaboration from the different AMDA Councils in the planning and delivering the caravan activities especially AMDA Men, Leisure and Events for ensuring that all donations picked from various collecting centres, packed and lorries and delivered safely to Buhweju, Health, Education, Economic Empowerment and Environmental Sustainability. As Women, we take pride in having contributed greatly towards mobilising medicines and partners in support of the medical Camp. On this note, appreciation is extended to Annette Kobusingye for brokering the relationship with Ruharo Eye Care Hospital.

Special thanks are to Madam Donah Mugarura for offering premises at Dina Dona School in Kasubi free of charge where all the donations were stored. In addition, she offered her team to support with the sorting and packing of donations, an uphill task that they accomplished with amazing commitment to conclusion.

We remain indebted to the Parish Priests, the women leaders and parish Coordinators from the entire Buhweju Deanery for the coordination, the inputs into the planning of activities, and for the great patience and hospitality given to the council. This made our plans very successful and greatly rewarding. We are convinced that our lives and those of the women we interacted with were positively transformed.

To guide the AMDA Communications and visibility during the Caravan to Buhweju, the Media Council was provided ToRs within which to work and support all other council activities, ensuring both brand and activity and stakeholder visibility, before, during and after the event.

As such, the media council focused on five key areas including Publicity, Media coverage, Branding, Social Media, as well as documentation of the caravan.

Under publicity, the council used both traditional and digital media to create awareness and mobilise AMDA members, as well as the masses targeted by the various programme packages of the caravan such as the Medical Camp, Women's economic empowerment programmes, sustainability. environment spiritual, and leadership sessions, and legal aid, among others.

To achieve mass mobilization, the council obtained probono airtime on Radio Maria which hosted nine radio talk shows and one TV talk show on TV west, speaking

about the various packages of the 2022 caravan. Social media Twitter. Facebook such as and WhatsApp were used for publicity and mobilization. Through talk shows and digital media information materials. the council recognized and ensured to mention all partners who provided various support towards the caravan. Banners were also printed and placed in strategic areas to alert the general public in and around Buhweju about the upcoming medical camp. For all publicity support, the Media Council extends aratitude to management of Radio Maria, Mbarara and TV West.

Media coverage: The caravan was covered by both national and local media, including the New Vision, the Daily Monitor, Uganda Radio Network, TV West, Radio West, BFM Radio, and Bukedde TV, among others, but also used AMDA social media platforms to share information about the caravan with external publics. More details are available on the

next pages, and AMDA Uganda twitter and AMDA Uganda Facebook.

Other activities include documentation - where two videos which provide a brief overview of the caravan, were produced and will be uploaded YouTube the **AMDA** on All activities were channel. also documented in form of pictures, also available on the AMDA website. 1000 copies of the caravan souvenir magazine, in which all sponsors of the caravan were acknowledged was produced and distributed Buhweju, further raising visibility for all the partners contributed financially and provided in-kind support towards the events.

You are Today's Modern Missionaries - Archbishop tells AMDA

The Archbishop of Mbarara Lambert Bainomugisha has commended AMDA members' efforts to spread the gospel of Jesus Christ in the modern age, equating them to missionaries who introduced religion in many countries many years ago.

Archbishop Bainomugisha was leading Mass to mark the end of the Archdiocese of Mbarara Development Association (AMDA) Caravan in Greater Butare, Buhweju District on Sunday September 4 at Butare Parish.

The Archbishop equated the AMDA Caravan to missionary work following the guidance of Pope Paul IV of working together to spread the good news of Jesus Christ in our communities.

"For three days, you have been in Buhweju spreading the Good News through the various activities targeting different aspects of life including faith, family unity, health, economic development, among others. Some people came with sick eyes, went back seeing, others came without hope but returned happy and hopeful, many others are returning to their homes better than they have ever been in many years," he said.

His Grace Bainomugisha further commended AMDA for spending days supporting, helping and engaging with the people of Buhweju on different programs including development, leadership, health. caring for environment and spreading the gospel of transformation through mindset change. which he said would transform families today and the years to

"I want you to have affirmative action for Buhweju. I am giving this to you as a project. I do not know how, but I give it to you as a project. If we do it, do you think Buhweju can fail to have another St Joseph's?

Let us think together and see how to have affirmative action for Buhweju so that everyone should be proud of associating themselves with this area," the Archbishop added.

The 2022 AMDA caravan took place in Buhweju district under Butare deanery where four parishes of Kashorero, Nyakitoko, Bihanga and Butare benefited from the different caravan activities, all anchored under AMDA's Seven pillars of; Unity, Spiritual Development, Development, Empowerment. Economic Education, Health Wellness, and Environmental Protection.

The main deliverable of the caravan, the AMDA Medical camp where free medical services were offered to thousands of people was held at Butare Secondary School on Saturday September 3, 2022.

Dear AMDA Caravans,

It's my singular honour and privilege to express our sincere gratitude as the people of Buhweju for the missionary work you did in our homeland. We are eternally grateful for the lives you touched through the medical camp, the many teachings and projects.

Our gratitude too, goes to AMDA Exco for the leadership and budget support you made towards the local organisation. Ultimately to you all our dignified caravans cummissionaries, Buhweju thanks you and is indebted to you for your magnanimity and selfless service. This caravan shall forever be etched in our most prized memory. Bravo!

I finally wish to make profound, respectful and hearty appreciation to the Exco of Buhweju Kampala Catholic Community that worked tirelessly with resolve and gusto to ensure that the Caravan was a great success. To our parish priests and heads of Laity, we thank you most sincerely.

I, in the same measure take full responsibility for whatever didn't go well, I seek your indulgence and wholeheartedly apologize for the bad, the missing and discomfort you experienced. Find it in your heart to accept my and our most sincere apologies.

What shall separate us from the love of Christ, Rom 8:35-39 I wish you all God's choicest blessings
