**MESSAGE > IN COMING**

# AMDA CHAIRMAN

Whereas the responsibilities we have assumed are enormous; taking over from an obvious excellent team, we are comforted that with your prayers and support, we shall keep the AMDA flag flying high.

I greet you all in the name of our Lord Jesus Christ.

**I** take this opportunity on behalf of AMDA Executive Committee to welcome you to our first monthly Mass in 2022!

Whether you are watching us online or you're with us here at Kitante in person, I want you to know that you are highly valued and you are welcome. While we have gone through some trying and difficult times as a Nation, and yes, even as the World, we can rest assured that God STILL has the whole World in His hands.

The last two years have been very difficult for many of us. We lost loved ones. We lost jobs, livelihoods but as a community we have remained together, supported and consoled each other. You truly demonstrated AMDA pillars especially that of UNITY. As we return to normalcy, I pray that we get even closer. My team and I are at your disposal for any matters related to AMDA pillars.

Today, we unveil the leadership of all the councils consisting of great men and women who have offered to provide leadership for the period January 2022- December 2024. I congratulate them and I appeal to all of us to give them support as they execute their mandate in fostering the development of AMDA. In the next month, we shall hold an all-leaders' retreat to discuss our planned activities under the different 7 pillars. The final activity plan will be shared with you using all available platforms in the coming days.

On 15th January 2022, we joined our fellow Christians at Nyamitanga during the celebration of Diocesan day in which our Archbishop, His Grace Lambert Bainomugisha received the

Pallium, as well as bade farewell to Archbishop Emeritus Paul K. Bakyenga and launched two major projects-the renovation of the Cathedral and the construction of Archbishop's residence. I thank you all members that contributed towards our Mushenga of UGX 12,000,000 that we handed over and for the pledges made by our members to these projects. In the coming months, we shall be sharing with you on how you can contribute to these two projects.

As you make your individual resolutions for this year, I encourage you to include the following;

- Praying with us every last Sunday of the month
- Join the AMDA SACCO /or purchase more shares or/ get loans and pay on time so that our dream of forming AMDA bank can be realized sooner than later
- Join ABF and become an active member
- Participate in activities of all councils including your own AMDA small communities (emigongo)

Whereas the responsibilities we have assumed are enormous; taking over from an obviously excellent team, we are comforted that with your prayers and support, we shall keep the AMDA flag flying high.

I wish you a blessed 2022.

Sincerely,

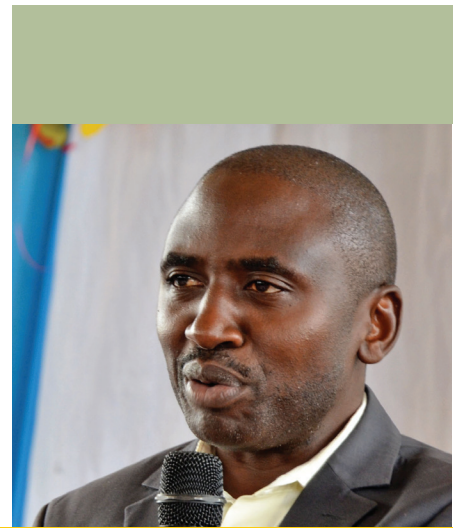

**Chris Gumisiriza**

AMDA Chairman

## MESSAGE > FROM THE OUTGOING AMDA CHAIRMAN,

**My sincere thanks to all of you who contributed to the success of our plans, notably; The AMDA Leisure and Events Council, Spiritual, Health, economic, education councils, as well as all of you for your contributions, spiritual, moral, and financial. Without you, it would have been impossible to achieve anything.**

### *Dear friends,*

**I**t has been a pleasure serving you for the last six years. My team and I found favour in serving you. And you all made our task manageable. We cannot claim the achievements we made without acknowledging your immense support, your goodwill and generous contributions towards our programmes.

I was entrusted with the office of AMDA Chairman in August 2015. In January 2019, we got a new term of office that expired in December 2021. Together, we registered major achievements that have been shared with you in our handover report. I am happy to note that during our tenure of service, we successfully activated the AMDA pillars by creating Councils that implemented ground breaking activities under each of the pillars. Along the way a 7th pillar on environmental protection was added. This was in response to Pope Francis's encyclical letter *Laudato Si* in which he called on us Catholics to protect the environment in a more profound way. We hope the leaders will do much more under this very important pillar. The pillars of unity, spiritual growth, leadership development, economic empowerment, education, health, and environmental protection are geared towards attaining holistic development of a person as reflected in Jesus' mission "I have come so that they may have life, and have it abundantly" (John 10:10).

Friends, AMDA has grown and evolved since the time of its formation as MDDA (Mbarara Diocese Development Association) in the late 1980s. Since 1991 the association has been undergoing transformation into an organized body with a clear vision and objectives. We thank members of the Executive Committee, Councils' leadership and all AMDA members for a spirit of togetherness that kept AMDA vibrant. One of the significant outcomes is the spirit of voluntarism and service above self that have been embraced by majority of AMDA members.

Over the years, AMDA has had many leaders. The first substantive Chairman was Mr. Venny Tinkumanya followed by Mr. Gervase Ndyababo followed by Mr. Christopher Byaruhanga and then Mr. Silver Agubanshongerera. Under the various administrations quite a lot was achieved and a firm foundation laid.

Given the tremendous growth of AMDA, there was a need to develop a detailed strategic plan to guide the systematic implementation of activities. This was done by developing a standard strategic plan. However, the emergence of COVID-19 halted the flow of activities and the final approval activities could not take place. I have no doubt that the new leaders will prioritise its implementation. You should take the interest to read it and support its implementation.

We are proud of the tremendous growth registered by AMDA's twin flagship projects namely; the AMDA SACCO and AMDA Bereavement Fund (ABF). Specifically, ABF was born during our tenure of service and quite a lot has been done to make it grow. We thank the management of both organizations for the good work being done.

The AMDA caravans have been a flagship of our term. We are very proud to have seen it grow to attract thousands of people. The parishes visited were not left the same.

My sincere thanks to all of you who contributed to the success of our plans, notably; The AMDA Leisure and Events Council, Spiritual, Health, economic, education councils, as well as all of you for your contributions, spiritual, moral, and financial. Without you, it would have been impossible to achieve anything.

I am confident of the leaders that have taken the leadership mantle from us and we call upon all AMDA members to support them to take our community to another level.

.Thank you very much

**Gaston Ampe Tumuhimbise (PhD)**
