## EDITOR'S NOTE

Dear AMDA Family,

It is my pleasure to warmly welcome you to this month's Bulletin, which captures a season of reflection, renewal and purposeful engagement within the Archdiocese of Mbarara Development Association (AMDA) community. We are especially honoured to host the Bishop of Kasese, Rt. Rev. Francis Aquirinas Kibira. In the same way, welcome the seminarians from the Philosophy Centre Jinja, and members of the Kasese Kampala Community, who are, together, animating our Mass this month. Their presence enriches our worship and invites us to deeper reflection on vocation, faith and service. Within these pages, you will find a rich account of AMDA's journey over the month of February—from our Chaplain's

thoughtful reflections and the Chairman's guiding message, to insights from the 2026 Caravan pre-visit to Nyabwina, the ongoing review of our Strategic Plan, and the inspiring Bakirinju gathering that brought together elders and leaders to reflect on our shared legacy. As you read through this Bulletin, may the stories shared here inspire you in your own journey of faith, service and community. As we enter the Lenten season, may this period be one of renewal, prayer and recommitment to the values that bind us together.

I wish you a fruitful and grace-filled Lent, and happy reading.

# MESSAGE BY AMDA CHAIRMAN

Dear People of God,

I greet you in the name of our Lord Jesus Christ.

On behalf of the AMDA Executive Committee and on my own behalf, I warmly welcome you to our Monthly Mass of February 2026.

**F**irst, I have the honor to welcome and sincerely thank the Bishop of Kasese Diocese, Rt. Rev. Francis Aquirinas Kibira, for gracing us with the Holy Sacrifice of the Mass. Your presence, My Lord Bishop, is a blessing and an encouragement to us all. We also extend our deep appreciation to the community of Queen of Apostles Philosophy Centre, Jinja, and to Kasese Diocese for animating today's Mass. We are especially grateful to Kasese Diocese for choosing AMDA as a partner in support of this year's Uganda Martyrs' Celebration at Namugongo. It has been our pleasure to pray and journey together with you. I further welcome you all following the friendly sports activities held yesterday at Jeph International University. Thank you for your active participation, which served as an important avenue to strengthen our unity and fraternity.

On Wednesday, 18th March, we began the Lenten Season. I congratulate you all for embracing this sacred time in which we are called to repent and return to the Lord. Lent is a special season of grace and mercy. As Christians, we are invited to deepen

**“Lent is a special season of grace and mercy. As Christians, we are invited to deepen our spiritual lives through three key practices: to pray more fervently, to give alms generously without seeking recognition, and to fast with sincerity and humility.”**

our spiritual lives through three key practices: to pray more fervently, to give alms generously without seeking recognition, and to fast with sincerity and humility.

This past month, we held several important activities:

**From 31st January to 1st February, we conducted a successful Caravan pre-visit to Nyabwina Parish.**

We thank the Nyabwina Parish community for their warm welcome and for sharing vital information that will guide the Caravan activities scheduled for September 2026.

■ **On 15th February**, we held a **successful get-together/meet-and-greet of the AMDA 1 Family**, largely comprised of the historical members and founders of AMDA. Special thanks to the Bakirinju family for honoring us with their presence and for sharing valuable insights into the history of AMDA and the vision for its future.

■ **On 16th February**, the AMDA Executive Committee, together with representatives of AMDA leaders from various teams, **reviewed and approved the AMDA 10-Year Strategic Plan (2026–2036)**. We greatly appreciate the Economic Empowerment Council and selected members who dedicated their time

and expertise to develop this strategic plan. The Strategic Plan will be officially launched on Palm Sunday.

■ On 21st February, the AMDA family, together with Kasese Diocese, held a sports event aimed at creating awareness about Kasese Diocese's animation of the 3rd June celebrations at Namugongo this year and mobilizing support to ensure a successful event.

Looking ahead, several activities have been scheduled for the coming month, and I encourage all members to actively participate:

■ **On 28th February**, we shall hold the **Annual General Meeting of the AMDA Bereavement Fund** fraternity. Over the past month, there have been several discussions regarding the operations of the ABF, and I encourage you to attend and make your views heard.

On 1st March, we shall have a Lenten recollection here at our home in Rubaga.

■ **On 7th March**, the AMDA SACCO will hold its **Annual General Meeting**. Members are invited to attend, and non-members are encouraged to join the SACCO.

■ **On 8th March**, we shall celebrate **International Women's Day**. The AMDA Women and AMDA Youth Ladies will have a day out. Ladies are encouraged to attend and celebrate this important occasion. The theme for this year is "Give to Gain," focusing on fostering gender equality through collaboration, mentorship, and generosity. This theme calls upon individuals and organizations like AMDA to share knowledge, resources, and opportunities to create lasting impact. I thank the AMDA Women Council for their critical role in advancing our mission and impact.

■ **On 12th March**, AMDA leaders will hold their **periodic Kiganiro at a venue to be communicated**. All leaders are encouraged

to participate.

■ **On 18th March**, the Marrieds Ministry will hold an **online discussion aimed at strengthening marriages within the association**.

■ **On 21st March**, the **AMDA 3 and 4 families will undertake charity visits** as part of our Lenten commitment to sharing with and serving the disadvantaged members of our community.

■ **On 22nd March**, the Youth will also conduct a **charity visit to a venue that will be communicated**.

■ **On 29th March**, we shall celebrate **Palm Sunday at Kitante Primary School Auditorium**. The celebration will be animated by the Marrieds Council and the Marrieds.

I look forward to your continued active participation in the Association's activities. May the Lord bless you abundantly, and may you have a fruitful and grace-filled Lenten Season.

*Chris Gumisiriza*  
AMDA Chairman

# “Christ is alive in you and in me” Galatians 2:20: Diocese of Kasese animates the 2026 Uganda Martyrs’ Day

By **Cosmus Kule**,  
Secretary, KKACCO

**B**ravery, devotion, refusal to denounce their religion, and the dungeon of torture in the rolling hills of Namugongo were preceded by the October 18, 1964 canonization of the first Sub-Saharan Africa saints, the Uganda Martyrs. Hundreds of thousands of pilgrims, worshipers, clergy and international visitors that gather at the once oubliette, now a holly ground at Namugongo annually is a testament to the Uganda Martyrs’ choice of faith over fear, truth over compromise, and Christ over life itself. Uganda Martyrs’ Day is not simply a historical remembrance; it is a living celebration of faith that captures the vein of what the

Martyrs stood for and shares what Christ lived through, endured, and conquered. Therefore, the church is called to live today as Saint Paul declared; **“I have been crucified with Christ; it is no longer I who live, but Christ who lives in me.”**

Saint Paul spoke of a faith that transforms the believer from within, an indication that Christ is alive in you and in me as

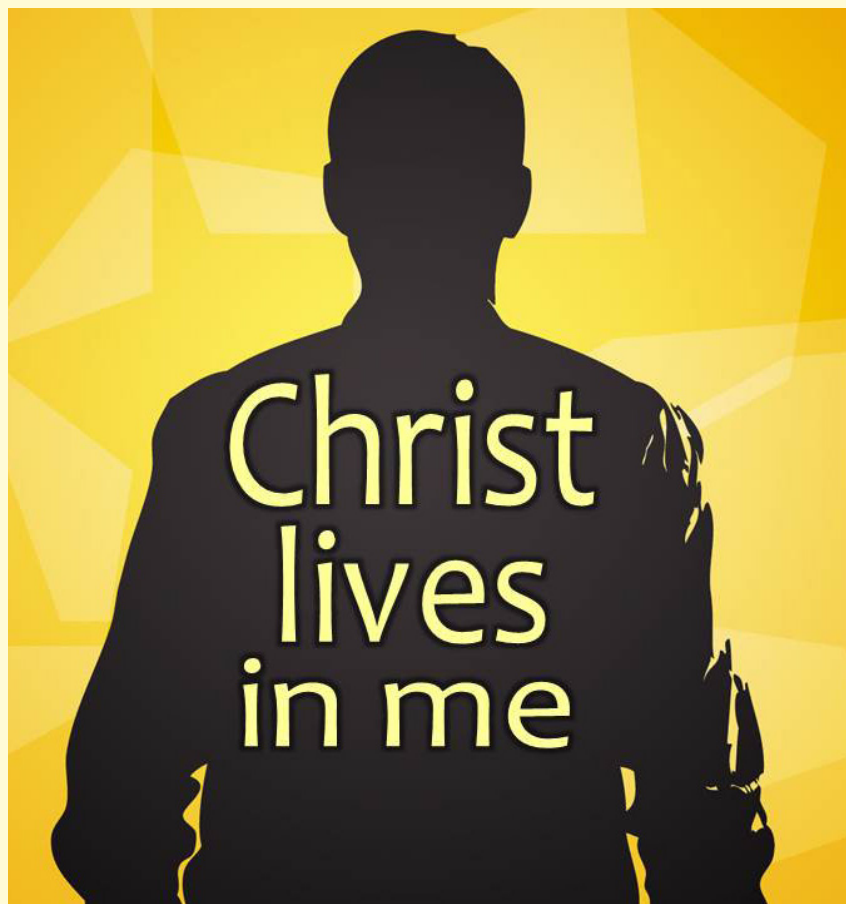

suggested in Galatians 2:20. This year’s solemn commemoration as animated by the Diocese of Kasese is inspired and profoundly guided by this spiritual enrichment theme **“Christ is alive in you and in me”** (Galatians 2:20). It emphasizes the ongoing, living presence of Christ in the faithful not as a distant memory, but a daily reality. This same faith burned in the hearts of Saints Charles Lwanga and his companions. Their courage was not drawn from human strength, but from Christ living within them, a presence stronger than fire, pain, and death.

As the Diocese of Kasese animates this years’ Uganda Martyrs Day Celebration, under the stewardship of Rt. Rev. Francis Aquirinus Kibira, we are called to embroider the living presence of Christ in as many faithful. In the lead-up to this embroidery of Christ’s presence in the lives of the faithful through the celebrations of the Uganda Martyrs, Diocese of Kasese is mobilising support and partnerships. Notably, reaching and impacting as many faithful

requires a deep resource and capacity envelope. The resource envelope will enable us adequately prepare and successfully animate the liturgical celebrations, pilgrim coordination, logistics, choir and liturgy arrangements, hospitality, communication, and other related pastoral activities. And I am glad to announce that some stakeholders have come on board to support this tapestry, notwithstanding their relative (in)sufficiency. In the same vein, the Diocese of Kasese seeks the AMDA fraternity to be part of the support system for the success of this year's Uganda Martyrs' Day Celebration. The support underscores the deep connection between faith institutions, and community-building partners.

The celebration of the Uganda Martyrs is a significant moment of faith, unity, and renewal for the Church, as we commemorate the supreme witness of the Uganda Martyrs. Pilgrims walk, sing, pray, and reflect on the sacrifices of Saints Charles Lwanga and his companions, whose courage in the face of persecution remains a beacon of spiritual resilience. While the Diocese of Kasese is organizing, saying masses, prayers, liturgical and catechetical sessions, its clergy are working to ensure that the spiritual formation of pilgrims is reflected in the theme of day to insinuate that **Christ lives within each believer**. The theme challenges believers to ask uncomfortable but necessary questions:

**If Christ truly lives in me, how do I live?**

In a society facing moral, social, and economic challenges, the presence of Christ within believers must be visible. Christ lives in us when we stand for justice in the face of corruption, when we protect life and dignity, when we forgive where hatred seems easier, and when we serve without seeking reward. Just as the Martyrs

resisted injustice and immorality, today's Christians are called to resist all that diminishes human dignity, as a precursor to the illumination of the presence of Christ in you and in me.

# Amda Reviews the Draft **Strategic Plan** **2026-2036**

On Monday, 16<sup>th</sup> February 2026, the Archdiocese of Mbarara Development

Association (AMDA) convened a strategic plan review meeting at the Emperor Heights Hotel in Kasubi, Entebbe. The meeting brought together members of the AMDA executive committee, parish coordinators, and representatives from various councils and committees to review the draft AMDA Strategic Plan 2026-2036, developed by the AMDA Economic Empowerment Council. The session aimed to shape AMDA's ten-year roadmap anchored on "Holistic Human Development", guided by the Association's vision of a spiritually rooted and empowered Catholic community. The draft strategy was presented for review, after which participants engaged in structured discussions, providing technical, pastoral, and

operational input. The dialogue reflected AMDA's commitment to inclusivity, accountability, and shared ownership of its long-term direction. The review also highlighted the need for robust financial planning, diversified funding streams, and strengthened reporting systems to ensure sustainability over the 10-year implementation period. The feedback will be incorporated into the draft to enhance coherence, feasibility, and alignment with AMDA's mission of mobilizing the Catholic community, among AMDA members and the home communities in the Archdiocese of Mbarara, to unlock its full potential. The proposed 2026-2036 strategy is structured around seven integrated pillars that form a comprehensive framework for spiritual growth, leadership development, economic transformation, educational advancement, health promotion, and environmental sustainability.

The February review meeting forms part of a broader validation process. Additional consultative engagements will be convened with key stakeholders, such as AMDA Councils, members, and stakeholders in the Archdiocese of Mbarara, among others, to further refine the document. These sessions will ensure alignment with parish priorities, council mandates, and the archdiocese's broader pastoral vision. The finalized Strategic Plan is scheduled to be formally launched on Palm Sunday, 29th March 2026, symbolically marking the beginning of a renewed decade of AMDA's collective resolve to build a well-led, united, healthy, educated, spiritually grounded, economically empowered, and environmentally responsible AMDA community for generations to come.

# Nyabwina Parish ready to Host the 2026 AMDA Caravan

In preparation for the 2026 Caravan, the AMDA team conducted a pre-visit whose objective was to assess the parish's readiness to host. The visit, conducted on 31 January 2026, affirmed Nyabwina's readiness, enthusiasm, and capacity to welcome one of AMDA's flagship outreach initiatives. Led by a 14-member multidisciplinary team drawn from AMDA's Executive Committee and various councils, the pre-visit aimed to assess both logistical preparedness and community priorities. The team engaged parish leadership, educators, health workers, catechists, youth representatives, and local government officials, ensuring that the Caravan planning process remains grounded in local realities and shared ownership.

At the heart of the visit was Nyabwina Parish, a vibrant faith community with 12 centres and 145 Small Christian Communities. Established nearly a century ago and currently under the pastoral care of the Claretian Missionaries, the parish boasts of strong organisational structures and a deep commitment to holistic development, particularly in education, health, and economic empowerment.

The team also visited Rubaare Centre, including St. Thomas Senior Secondary School, a church-founded institution to assess their needs - both structural and logistical, that

would afford learners a decent learning environment. Despite challenges such as limited infrastructure, overcrowded dormitories, and low enrolment following the COVID-19 pandemic, the school has made steady strides in recovery with parish support. These realities present meaningful entry points for the Caravan's education and economic empowerment interventions.

Encouragingly, the parish demonstrated readiness to host the full spectrum of Caravan activities. Adequate venues were identified for accommodation, medical camps, and the anticipated High Mass, with St. John's Nyabwina Secondary School and its playground

earmarked as key facilities. Local mobilisation for food supplies, casual labour, and community participation was also assured, underscoring Nyabwina's spirit of partnership. Beyond logistics, the pre-visit surfaced critical social issues affecting families, youth, and parish leadership, including alcoholism, unemployment, school dropout, and non-communicable diseases. These details will shape Caravan programming to ensure it responds meaningfully to community needs.

# Little Voices, Big Faith: When AMDA Children and Teens took lead

**T**here are moments in the life of the Church that quietly reaffirm hope for the future. January 2026 Monthly Mass, animated by the Children and Teens Council, was one such moment. On 25 January 2026, at AMDA House, the Mass unfolded with an energy that was both joyful and deeply prayerful. From the opening hymn to the final blessing, children and teenagers took centre stage, not as spectators, but as confident participants in the liturgy. The young animators led the congregation in song, proclaimed the Word of God, guided the offertory procession, took up ushering duties, and presented the Prayers of the Faithful. Their coordination, reverence, and enthusiasm turned the celebration into a powerful

expression of faith in action. Beyond the liturgy, the Mass carried a strong development message. In a show of ownership and generosity, the Children and Teens Council raised UGX 3.6 million in support of the AMDA Main Building Project. This effort was further uplifted

by a contribution of UGX 10 million from the Guest of Honour, Ms Edith **Kababure Minambo**, Managing Director of **Centenary Bank**. Together, the total contribution reached UGX 13.6 million. After Mass, the Children and Teens paused to honour January birthdays, with a cake-cutting moment that reinforced fellowship and belonging among the children and teens. As AMDA continues to nurture faith alongside development, the January Mass will remain a powerful reminder that when children are trusted, guided, and given space, they do not merely inherit the mission, they actively carry it forward.

# A Well of Wisdom: AMDA Bakirinju Reunite to Reflect and Reignite

**M**embers of AMDA's founding WhatsApp AMDA Family 1 popularly known as Bakirinju, last weekend gathered at Emperor Heights for a landmark reunion that blended reflection, fellowship, and forward-looking dialogue. Dubbed "A Well of Wisdom", the gathering brought together some of AMDA's founding members, senior leaders, and long-serving supporters, men and women who have shaped the association's journey from its early days as MDDA to the structured, multi-pillar organisation it is today over the last 25 years.

The gathering drew a distinguished cross-section of national, Church and professional leaders, among them Hon. Flavian Zeija, the Chief Justice of Uganda who also doubled as the chief guest, the Head of Catholic Laity in Mbarara Archdiocese, Gervase Ndyababo; Immaculate Busingye, Hon. Justice; Chris Byaruhanga; Silver Mugisha, Eng. Dr.; Susan Kanyemibwa, Secretary of the Bank of Uganda; Winnie Byanyima, Eng., Executive Director of UNAIDS; John Fisher Kanyemibwa, Senior Counsel; Jane Kyarisiima Mwesiga, Deputy Head of Public Service; Giles Germany Aijukwe, CEO of Letshego; Clare Mugumya, Hon., Woman Member of Parliament for Isingiro; Gerald Mutungi, Dr., Commissioner for Non-Communicable Diseases in the Ministry of Health; Bonnie Kiconco Mutungi; John Arimpa Kigyagi, Hon., Presidential Advisor on Environment; Rosemary Byanyima, Dr., Executive Director of Mulago National Referral Hospital; Assumpta Batala, former

Commissioner in the Ministry of Local Government; Lt. Gen. Joseph Musanyufu, David Muhoozi, Gen., Permanent Secretary, Ministry of Internal Affairs; Innocent Muhwezi, Director at the Bank of Uganda; and John Eudes Kaitirima, Hon. Justice, among many other friends and supporters of AMDA.

The day opened with Holy Mass, presided over by the AMDA Charplain Dr. Rev. Fr. Darius Magunda, assisted by Fr. Leo Tinkatumire, the parish

priest for St. Charles Lwanga Omukashanda Parish.

A key highlight was a thought-provoking health talk by Dr. Bosco Mutakirwa, who challenged members to take personal responsibility for their health, particularly after the age of 40. Drawing from medical practice and scripture, he emphasised preventive healthcare, regular medical check-ups, lifestyle discipline and early screening for non-communicable diseases such

as hypertension, diabetes and certain cancers.

In his reflections, Rt. Hon. Justice Zeija, invited AMDA members to confront the realities of raising and forming the next generation in a rapidly changing, post-pandemic, digital world. He observed that today's children and young people are growing up more individualistic, confident, yet increasingly burdened by anxiety and mental health challenges.

"If we want to pass on our language, values, and faith to the next generation, we must first understand the world they are growing up in – a highly digitised world where attention is short, identity is shifting, and how we teach matters as much as what we teach." Hon Zeija said.

Speaking on behalf of the Executive Committee, Emanzi paid tribute to AMDA Bakirinju as "the source of wisdom"—a family that hosts many of the association's elders and pioneers.

In her personal reflections, Winnie Byanyima urged AMDA families not to compromise on passing on local language, faith and values to the next generation, warning that culture is easily lost when it is not intentionally nurtured. She pledged a full year's support for a catechist to journey with AMDA children's faith.

Drawing from her own experience as a parent living abroad, she underscored the lasting importance of mother tongue and catechism, even in highly globalised and academic spaces.

Eng. Winnie spoke candidly about fear—describing it as a silent force that weakens communities, silences truth, and enables injustice. While

**“As deliberations concluded, one message was clear: AMDA’s legacy must not only be preserved – it must be deliberately passed on.”**

acknowledging the risks involved, she challenged Christians to move beyond fear, to speak out with courage, to ask difficult but necessary questions, and to stand together in prayer and unity as a source of strength.

She further called for inclusive leadership within AMDA, encouraging the deliberate

involvement of women and young people to shape stronger, more representative leadership for the future.

The gathering attracted a wide cross-section of national leaders and professionals, including senior judicial officers, technocrats, business leaders, and public servants, whose contribution centred on courage, values formation, and the responsibility of elders to speak truth without fear.

AMDA leadership reaffirmed the association's seven pillars – unity, spiritual growth, economic empowerment, education, environment, health, and leadership – noting that these continue to guide flagship initiatives such as the annual Medical Caravan and ongoing infrastructure projects.

Members also held robust discussions on governance, youth mentorship, education support for rural parishes, documentation of AMDA's institutional history, and the need to intentionally prepare younger generations for leadership in a rapidly changing world.

As deliberations concluded, one message was clear: AMDA's legacy must not only be preserved – it must be deliberately passed on.
